Marine is recommended by our Oculists—our "Patient Medicine"—but used in successful Physicians' Practice for many years. Now dedicated to the public and sold by Druggists at 50c per bottle. Marine Eye Salve in Ampule Tubes, 50c and \$1.00. Write for Book of the Eye Free. Marine Eye Remedy Company, Chicago, Ill.

HIGH SCHOOL FULLY ACCREDITED

A report to the Tonopah board of school trustees and to Superintendent Dilworth was received this morning from Prof. J. R. Young, who last April visited the local high school in the capacity of high school inspector. This report and the recommendations attached are the result of his official visit at that time. A resume of the report and recommendations follows:

"I have the pleasure of informing you that the Tonopah high school has been fully accredited for the year 1915-1916 by the University of Nevada in the following subjects: (All the subjects taught in this school the past year.)

"Your high school is to be especially commended for its excellence of instruction and scholarship. It is one of the very best schools in the state in this respect.

"The high school building is in good condition, but it does not provide adequately for the newer subjects. It seems imperative that a larger room be provided for commercial subjects so that the typewriting and class instruction need not be carried on so near together. There is also need for a room fitted up for the work in mechanical drawing, and for

a dining room and sewing room for the work in domestic science. It is really remarkable that the instructors in these departments have succeeded in doing good work under the conditions which obtain in the school.

"If it is at all feasible an athletic field should be secured near the school building.

"The high school library should be housed in the study room and placed in charge of a faculty librarian and student assistants."

Evidently the school authorities of Tonopah are at all times fully alive to the needs of the schools, for, it is interesting to note, with but one exception every recommendation now made by the high school inspector for the improvement of the conditions that make for efficiency applies to what is now an accomplished fact. The one exception is the providing of an athletic field near the high school, and that, as every one knows, is not feasible. The school authorities confidently expect the next report of the high school inspector to indicate a 50 per cent increase in the efficiency of the special departments as a result of the improvements made during the past summer.

FREE TEXT BOOKS WILL BE SUPPLIED

Because of the financial assistance given the Tonopah high school by the new county high school tax, the board of school trustees feel that this year for the first time in the history of the district the free text book privilege can be extended to the pupils of the high school. Accordingly, they have determined that no pupil shall find it a hardship to continue the work of the high school because of the expense necessarily incident to the purchase of text books each year. New books have been purchased by the district and will be furnished to all pupils free of charge. The same rules regarding the use of high school text books will apply as in the grades. Pupils will be supplied with books upon entering school for the term; the books thus supplied will be charged to the parents at list price; if the books are returned in good condition, necessary wear excepted, the books will be considered a receipt for the amount charged against the parents; books not returned or unnecessarily marred will be considered as sold to the pupil at the prices charged on his card. Tonopah is certainly giving every opportunity for the young people to "make good."

MISS EGAN A FAIR SEPTEMBER BRIDE

Last night at the home of Mr. and Mrs. Robert Gilroy occurred the wedding of Miss Anne Egan to Mr. James G. Dinamore. The ceremony was performed by the Rev. Father Diss and Mr. and Mrs. Gilroy were the witnesses. Only the closest friends of the contracting parties attended.

The bride wore a charming French creation of white chiffon over pink satin and carried bride's roses and lilies of the valley tied with white satin streamers. The Gilroy home was most artistic with large vases of pink roses and greenery for the decorations. A wedding supper was served after the ceremony. The table decoration was a large center piece of pink roses and ferns. After the ceremony the couple left for a short honeymoon, after which they will be at home to their friends in Florence avenue.

FURTHER ADVANCES BY THE ALLIES

(Continued from Page 1.)

The neighborhood of Akoy peninsula. They were pursued and sustained heavy losses, according to later information. We inflicted heavy losses on the enemy when we obliged him to retreat east of the Suez canal. We captured a quantity of booty which he abandoned during his retreat.

Many Killed by Bombs

(By Associated Press.)
BUCHAREST (via London), Sept. 27.—Sixty persons were killed and a large number wounded in Bucharest Monday afternoon by bombs dropped from a squadron of aeroplanes of the Teutons, and five others were killed Monday night by bombs dropped on the city from a Zeppelin, according to an official communication issued here today. Two-thirds of the victims are declared to have been women and children.

Officers Dynamited

(By Associated Press.)
BERLIN, Sept. 27.—A wireless Associated Press dispatch via Sayville says that indirect reports from Kronstadt, Transylvania, declared that disgruntled Rumanian soldiers fired a dynamite bomb under a train loaded with 400 Rumanian officers, only seven escaping unhurt.

More Ground Gained

(By Associated Press.)
BERLIN (official), Sept. 27.—After unusually severe fighting on the Somme front, wherein the allies suffered heavily, they captured Thiepval and gained ground on both sides of Courcellette. Attacks further east by Germans were repulsed.

NOTICE

Notice is hereby given that on and after September 20, 1916, the undersigned, having purchased the King ice cream parlor, conducted by Frank King as proprietor, will not be responsible for any debts contracted by the said Frank King for the King ice cream parlor.

WILL COACH HARVARD

(By Associated Press.)

CAMBRIDGE, Mass., Sept. 27.—Harvard baseball authorities announced last night that Fred Mitchell, assistant to Manager Stallings of the Boston Nationals, would again coach the varsity team this fall. On account of his contract with the Braves, however, he will not be available for the spring training of the Harvard players.

MAY DECLARE WAR

(By Associated Press.)

ATHENS, Sept. 27.—In circles very close to King Constantine the belief is expressed that he will declare war immediately—possibly this evening.

MRS. ROBERT BROWN and Miss Anne Brown will leave this week for Reno and San Francisco, thence to Los Angeles and San Diego, where they will remain a month before returning to Tonopah.

ON CAMPAIGNING TOUR

J. Wesley Stewart, candidate for senator on the Republican ticket; Thomas H. Linsay, nominated for long term commissioner; Harry Atkinson, named for district attorney, and H. C. Compton, who has no politics in his mind, but only a view to advance the interests of the Giant Powder company, left this morning in Senator Stewart's auto for Manhattan and Round Mountain to get acquainted with the electors.

TEMPERATURE REPORT

Highest temperature yesterday, 63; lowest this morning, 44.

Highest temperature a year ago, 63; lowest, 44.

NOTICE OF DIVIDEND

At a meeting of the Board of Directors of The Tonopah Mining Company of Nevada, held September 21st, 1916, a regular quarterly dividend of Fifteen per cent was declared, payable October 21st, 1916, to stockholders of record at noon, Sept. 30th, 1916. Transfer books will close at noon, September 30th, and open at 10:00 A. M. October 9th, 1916. (Signed) C. A. HIGBER, Secretary.

BUTLER THEATER

Ethel Clayton, who has appeared in no less than 16 features during the past three years, the last one being "The Great Divide," will be co-starred with Carlyle Blackwell in "His Brother's Wife," which will be shown at the Butler this evening. This will mark Miss Clayton's debut in the World film ranks, and as Mr. Blackwell's leading lady she shows to better advantage than in any of her former features, which is saying a great deal, and besides these two stars, no less than six other prominent players taking part in the picture, is ample assurance that it will be an extraordinary feature which will be shown this evening when "His Brother's Wife" is depicted on the screen.

Napoleon and Sally, the educated chimps, arrive this morning and will entertain you in a one reel animal comedy which is always well worth looking at. Tomorrow, the big special seven reel feature, "The Law Decides." Do not forget the day and do not forget to come early and get a good seat, for it is one of the big pictures of the day. Friday and Sunday, Page and Walters in vaudeville.

H. MILLETTE of Montreal, Quebec is a visitor to Tonopah.

ORE SHIPPER'S DEPARTMENT (MOOCHERS)

Associated Consulting Engineers

Are you paying freight on water? Are your moisters excessive? Are your cars properly weighed and cleaned out at the Sampler or Smelter? Are you getting paid full value of your ore, or are you losing ore by excessive moisture and another portion by improperly cleaned cars?

Are your settlements as prompt as they should be? If not, let us "Moosh" for you. We have competent men at the various Samplers and Smelters to see that our Clients' ore is correctly weighed and sampled, that his cars are clean when weighed light, and that he gets a prompt and correct settlement for his ore. For this service and anything that may come up in interest of shipper, our charge is based on tonnage and will be furnished on application. We are saving money for others, why not for you?

Better lighted windows sell more goods

At no increased cost for current you can make your show windows just twice as bright as they now are. And without the glare which hurts people's eyes and really drives them away.

X-RAY REFLECTORS

The Show Window Searchlights

are the most powerful reflectors made and they last indefinitely. They hide the glaring lamp, and on account of their scientific design, concentrate all the light on the merchandise on display. None is wasted on the ceiling or sides of the window nor on the sidewalk.

These reflectors are the standard for window lighting. Marshall Field & Co., Chicago, used 1500 X-RAY Reflectors constantly for thirteen years and when a few of these were tested by distinguished engineers in Cleveland it was found they had not lost one per cent in reflecting efficiency.

X-RAY Reflectors are the only pure silver plated reflectors which last indefinitely.

Free Demonstration

We'll show you X-RAY lighting any evening you say in your own windows. Nothing will convince you more quickly of its wonderful superiority. It is a necessity to any merchant. Phone us. Ask for booklet, "Show Window Searchlights."
